What to do if a child discloses to you:

A child may confide in **any member** of the school community.

Please remember the following:

- Yours is a **listening role** so do not interrupt if the child is freely recalling a significant event.
- If you need to ask a question to clarify what the child is saying, make sure it is an **OPEN question** and that you are not making suggestions or putting words into the child's mouth.
- Make a note of the discussion on the '**LOGGING A CONCERN**' sheet as soon as you can pass it on to the Designated Team shown on this card.
- Remember that you can **never promise confidentiality** to any child or to 'keep a secret'.
