

**Family 1 – Rosa Parks**

To start with, we wanted to find out more about the **way children behaved online at home** e.g., how many hours they spent online after school, what games or sites they used, if they knew what to do if a problem arose etc.

We asked classes to carry out an **online survey during anti-bullying week** in November. *Some of the findings shocked us.* For example, children were playing games that were unsuitable for their age and talking to strangers.

We had to do something so with the ICT Pupil Leaders we **visited every class from Y1 to 6** to lead a **discussion about online safety**.

Following this Pupil Leaders produced an update sent to every family **giving advice and tips on how to keep children safe on the internet**.

Finally, we have held a competition to design an **Online Safety poster**. This was judged on 18.7.24 and there were prizes for the winners.

**We feel very pleased with the work we have carried out and hope it will help to keep children safe.**

**Family 2 – Windrush**

**RED NOSE DAY**

*This year Windrush focused on publicising Red Nose Day- making posters and producing a video that was shown to all the children in the school.*

Red Nose Day is about coming together to end child poverty, one nose at a time. When you buy a Red Nose, your money supports programs that keep children safe, healthy and educated – both here in the UK and around the world.

The donations help to fill the shelves of baby banks, community food centres, fund vital community-led services like health workers, local youth safe-spaces and ensure those people who are escaping danger are safe. The whole of the UK manages to raise nearly £40million this year and we contributed to that!

At Wilbury we raised over **£423!** We did this by wearing red on the day and making a donation to the cause. Some children even dyed their hair red! What dedication!

**Family 3 – Nelson Mandela**

**We have been very busy this year.**

After the pupil voice questionnaire it was decided we would hold DISCOs for **Year 1 to Year 5.**

We chose Shelter as the charity we would like to support. Pupil Voice told us that the children at school were most concerned about homelessness. We decided to raise money (through the discos) for Shelter.

The children chose the playlists and danced the night away! The children had glow sticks, crisps, a drink & a KRISPY KREME doughnut!!!! YUMMY!!!

**We have raised £500 for Shelter!!!!**

**Family 4 – The Environmentalists AKA Team Green**

We helped to organise a **GREEN DAY!**

We raised money for our charities. Everyone paid £1 and wore something green. Every class in the whole school took part in an outdoor eco activity during the day – pond dipping, planting, gardening etc. We raised **£380** for our Eco charities!

Thames 21 – Protect and enhance local rivers, working with communities. They help clean rivers and reduce flooding.

**We are giving them ...£126**

World Wildlife Fund – Protect endangered species. They work globally to restore nature and protect our amazing planet! We are giving them **...£127**

The Woodland Trust – The Woodland Trust protect woodlands and plant trees. We are giving them **...£127**
